

RPI Announces General Informatics' Acquisition of Eministration

DALLAS, TX | July 11th, 2023 - Rosewood Private Investments' ("RPI" or "Rosewood") portfolio company, General Informatics ("GI"), is pleased to announce the acquisition of Eministration.

Headquartered in Opelika, Alabama, Eministration is an IT Management and Consulting firm offering a variety of custom technology solutions to its clients, including encrypted offsite data backup and recovery, Microsoft solutions, and virtualization.

"We are thrilled that our hard work and commitment to customer satisfaction has been recognized as a value add with this partnership between General Informatics and Eministration. This is an exciting opportunity for our business and our customers to drive growth and bring much needed resources to our fingertips," said Scott Lowery, CEO and founder of Eministration.

Briton Burge, Principal at RPI, said: "We are excited to welcome the Eministration team to GI. Scott and his team have built a fantastic business and we are confident that the combination will be beneficial to both parties, augmenting our talent, geographic coverage, and service offering. We continue to focus on building the premier MSP in the Southeast both organically and through acquisitions and are thrilled with the progress the broader GI team has made with integration across the platform."

The acquisition of Eministration fits squarely into General Informatics' mission of leveraging the best combination of technology and services to enhance client operations and help enable their success. Through the partnership, General Informatics and Eministration will each strengthen their service portfolios, expertise, and reach to continue to provide cutting edge technology solutions to their customers.

"The strategic acquisition of Eministration is a great addition to our growing presence in Alabama," shared Don Monistere, CEO & President of General Informatics. "Together, we will strengthen our position as a leading provider of IT services in Alabama. By partnering with Scott and his team, we can deliver innovative solutions and meet the growing needs of our clients."

The acquisition of Eministration by General Informatics is a strategic partnership to expand its reach, capabilities, and competitive advantage. General Informatics looks forward to continuing its rapid growth plans and technology investments to better serve the needs of its customers.

About General Informatics:

Based in Baton Rouge, LA, General Informatics is a premier IT managed services provider, delivering exceptional managed IT solutions to a diverse base of customers across the southeast United States.
